Bible Study Worksheet

The Temptation of Jesus

Luke 4:1–13

In Luke 4:1-13, Jesus is led by the Holy Spirit into the wilderness, where He is tempted by the Devil for 40 days. Despite being physically weak from fasting, Jesus resists the Devil's temptations by quoting Scripture each time. The Devil tempts Him to turn stones into bread, worship him for worldly power, and jump from the Temple to test God's protection.

Jesus refuses each temptation, standing firm in His trust in God.

Key verse

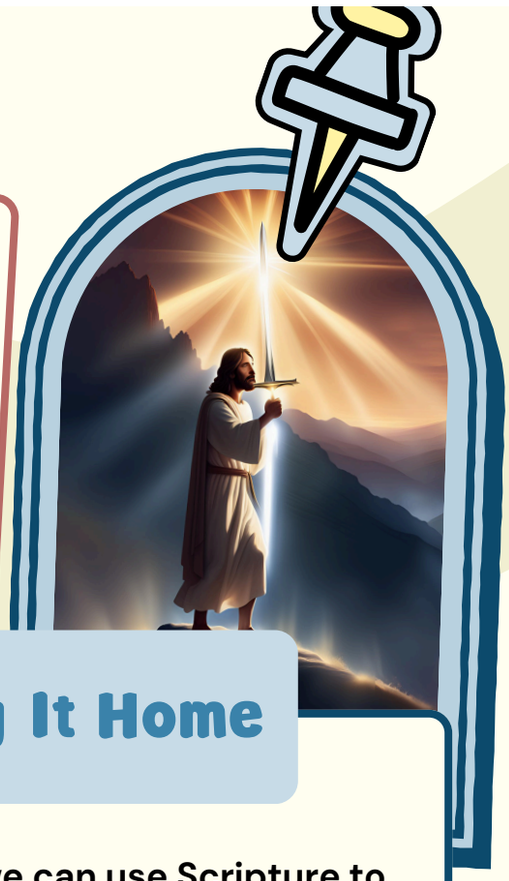

"The scripture says, 'Worship the Lord your God and serve only him!'" Luke 4:8

Reflection Questions

- What is God teaching you through this story?
- How did Jesus use Scripture to resist the Devil's temptations?
- What are some temptations you face in your life? How can you follow Jesus' example in resisting them?

Fun Fact

Did you know that the Bible calls the Word of God a “sword”? In Ephesians 6:17, it says to take up the “sword of the Spirit, which is the Word of God.” Just like a sword protects in battle, God’s Word protects us from temptation and spiritual attacks.

Application: Bringing It Home

- Resisting Temptation: Just like Jesus, we can use Scripture to resist the temptations we face each day. Think about a specific area where you are struggling with temptation. What Bible verse can you memorize to help you stay strong?

- Relying on God’s Strength: Jesus was physically weak after fasting for forty days, but He was spiritually strong because He relied on God’s Word. How can you rely on God’s strength when you’re feeling weak or discouraged?

Creative Reflection Activity

- Temptation Shield: Draw a shield and write inside it the things that help you resist temptation, like Bible verses, prayer, and friends who encourage you to make good choices.

- Journal Prompt: Write a journal entry about a time when you felt tempted to make a bad decision. How did you handle it? How could you use God’s Word next time you face something similar?
