Embrace your calling!

As young Africans, you are called to make a difference in your communities, just as Jesus was anointed to bring hope and freedom. Whether through your talents, education, or simple acts of kindness, you are empowered by God's Spirit to be a light in the world. Don't let challenges like unemployment or societal pressures discourage you—God has a purpose for your life.

The Spirit of the Lord is upon me, because he has anointed me to proclaim good news to the poor...
Luke 4:18

This week, reflect on how you can live out your calling. Even small actions can have a big impact when done with love and purpose. Trust that God's Spirit is with you, guiding you to bring positive change.
