Trusting God's Timing

"For there is nothing that God cannot do." — Luke 1:37 (GNT)

Action:

This week, meditate on God's promises in Scripture. Write down one area of your life where you need to trust His timing and pray for patience.

Observation:

When the angel spoke to Mary, she couldn't fully understand how God's promise would come to pass, but she trusted that God could do the impossible.

Reflection:

As a young person, you may have dreams or prayers that seem delayed. Remember, God's timing is perfect. His promises are sure, even when they take time to unfold. Are you trusting God with your future, or are you tempted to rush ahead on your own?
